

HANDY RUBBISH

London's Trusted Clearance &
Waste Removal Service

Rubbish won't come in
handy, but we will!"

About Us

At **Handy Rubbish**,

we've been clearing London's homes, offices, and outdoor spaces for more than a decade. Our mission is simple: provide fast, reliable, and environmentally responsible rubbish removal that customers can trust.

With over **70,000 clearances** successfully completed, our experience speaks for itself. We are a **licensed waste carrier (CBDU584967)** and all waste we handle is disposed of responsibly.

We are not formally certified, but our working practices are aligned with **ISO 9001 quality management**, **ISO 14001 environmental care**, and **SafeContractor-style health & safety** guidelines. This ensures you receive professional, safe, and environmentally sound service every time.

Why Choose Handy Rubbish?

11+ Years of Experience

Proven service across London.

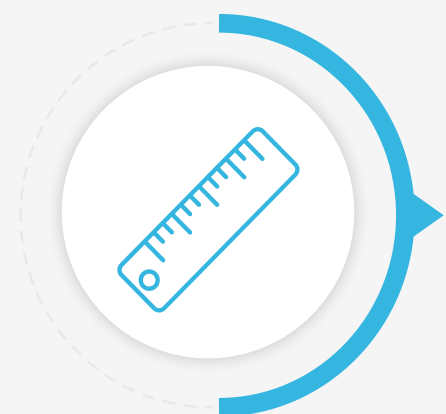

Licensed Waste Carrier

Verified by the Environment Agency.

Recycling-Led Approach

Over 97% of waste diverted from landfill.

Professional Standards

We operate in line with the frameworks set by ISO and industry best practice (without certification).

Friendly & Reliable Teams

Punctual, polite, and efficient staff.

Transparent Pricing

Clear quotes, no hidden extras.

When you choose Handy Rubbish, you choose a company dedicated to responsible clearance and customer satisfaction.

Our Services

We cover all aspects of rubbish removal and clearance across London:

House Clearance

From lofts to basements, single rooms to full homes.

Office Clearance

Efficient and discreet removals for businesses.

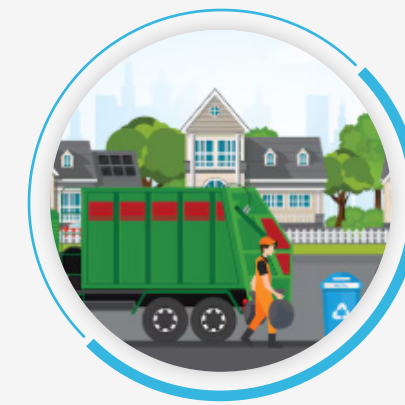

Garden Clearance

From cuttings to dismantled sheds and outdoor waste.

Builders Waste Disposal

Fast clearance of renovation and construction debris.

Bulky Waste Collection

Furniture, white goods, mattresses, and more.

Commercial Partnerships

Ongoing clearance contracts for landlords, agents, and companies.

House Clearance

Clearing a home can be overwhelming. Our team makes it easier with reliable, respectful, and professional service. Whether it's decluttering before a move, preparing a rental property, or probate-related clearance, we handle every job with care.

We work in line with health & safety standards recognised across the industry, ensuring that each clearance is carried out responsibly and to the standards customers expect.

Office & Commercial Clearance

We know time is money. That's why our office clearance service is designed to minimise disruption to your business. We clear everything from desks and chairs to IT equipment and confidential materials, always ensuring proper disposal.

Our methods follow the principles of ISO 9001 (quality) and SafeContractor health & safety expectations, helping businesses remain compliant and stress-free when moving, renovating, or downsizing.

Garden Waste & Outdoor Clearance

Our garden clearance service helps restore outdoor spaces. From hedge cuttings to broken fencing, soil, decking, and sheds, we remove it all quickly and responsibly.

All green waste is sent to licensed recycling centres in line with ISO 14001-style environmental principles, ensuring sustainable disposal.

Builders & Renovation Waste

Construction and renovation projects create a lot of mess. Our builders waste removal service keeps sites safe and clutter-free, clearing everything from rubble and plasterboard to packaging and fixtures.

We follow site clearance practices expected by contractors working to UK building regulations, ensuring efficient removals that support smooth project timelines.

Recycling & Sustainability

At Handy Rubbish,

Recycling isn't an afterthought — it's our core focus. We recycle or reuse more than **97% of collected waste**.

We are guided by principles recognised in **ISO 14001 environmental management systems** and always seek to minimise landfill use. By partnering with trusted recycling facilities, we make sure your waste is processed responsibly.

Health, Safety & Standards

Safety is at the heart of what we do.

- Teams trained in safe lifting, handling, and transport.
- Risk assessments available for larger projects.
- Working practices aligned with the principles of **ISO 9001, ISO 14001**, and **SafeContractor** guidelines.
- Compliance with all **Environment Agency waste regulations**.

While not formally certified, our alignment with these frameworks ensures we consistently deliver service that meets **professional industry expectations**.
